Suresh Timber Co.

www.sureshwood.com

We are one of the most prominent Manufacturers, Suppliers and Exporters of a comprehensive range of Wooden Packaging Material. These are known for their superior finish, high load bearing capacity, durability and strengthened construction.

Profile

Established in the year **1986** , we, '**Suresh Timber Co.**', are a distinguished **Manufacturer, Supplier and Exporter** of a comprehensive variety of Wooden Packaging Material. Having the support of professionals with more than **25** years' experience in the wooden packing industry, we are capable of producing almost any size of pallet, box or crates for the specific packing need of the clients. We can produce these products in most species of **Hardwoods, Softwoods or Plywood**. Also, if the client requires dryness for any particular need, we can also offer these products manufactured with air-dried material..

Our ultra-modern facilities and highly trained experts are instrumental in our efficient operations. Professionals employed with us maintain a controlled degree of accuracy for attaining utmost client satisfaction. The personal delivery fleet maintained by us ensures delivery of the consignments within the scheduled time limits. Our adherence to the established norms of the industry ensures delivery of premium quality of products to the clients. Also, we facilitate the clients by a choice of payment modes including **Cash, Cheque, DD, Invoice and Online**. We deliver to the clients based all over the Indian Subcontinent via road and other routes.

Under the expert guidance of our owner, '**Mr. Bharat Patel**', we have gained a strong foothold in the market. His keen understanding of the requirements of the market and acute sense of business allow us to satisfy the clients to the hilt.
